(b) In conjunction with the development and administration of cemeteries for which the Secretary is responsible, the Secretary shall provide all necessary facilities including, as necessary, superintendents' lodges, chapels, crypts, mausoleums, and columbaria.

(c)(1) Subject to paragraph (2), each grave in a national cemetery shall be marked with an appropriate marker. Such marker shall bear the name of the person buried, the number of the grave, and such other information as the Secretary shall by regulation prescribe.

(2) The grave markers referred to in paragraph (1) shall be upright for interments that occur on or after January 1, 1987, except that—

(A) in the case of any cemetery scheduled to be closed by September 30, 1991, as indicated in the documents submitted by the Administrator of Veterans' Affairs to the Congress in justification for the amounts included for Veterans' Administration programs in the President's Budget for fiscal year 1987, the Secretary may provide for flat grave markers;

conveyed shall cease and thereafter vest in the State or political subdivision concerned.

Such partial relinquishment of jurisdiction under the authority of this subsection may be made by filing with the Governor of the State involved a notice of such relinquishment and shall take effect upon acceptance thereof by the State in such manner as its laws may prescribe.

(h)(1) With respect to the interment or funeral, memorial service, or ceremony of a deceased veteran at a national cemetery, the Secretary shall ensure that—
